

X Americas

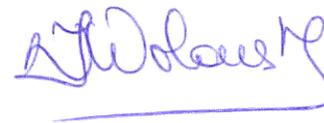

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

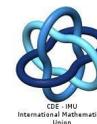

Sona Akopian

University of Texas - Austin, USA

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Khalid Alshammari

King Fahd University of Petroleum and Minerals, Saudi Arabia

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

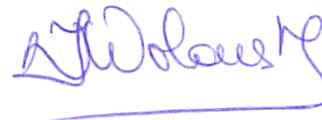

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Adrián Álvarez

Universidad de San Martín, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Rocio Balderrama

Universidad de Buenos Aires, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

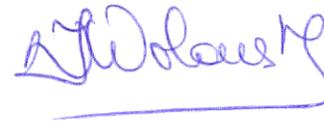

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Gastón Beltritti

Instituto de Matemática Aplicada del Litoral, Argentina

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

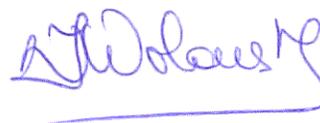

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Pablo Blanc

Universidad de Buenos Aires, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

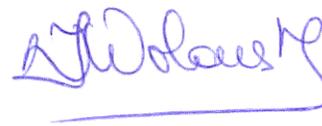

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Julieta Bollati

Universidad Austral de Rosario - CONICET, Argentina

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

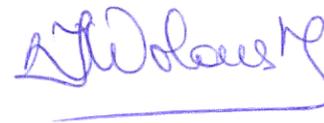

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Juan Pablo Borthagaray

Universidad de Buenos Aires, Argentina

in the School: “New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

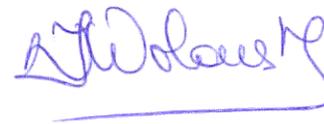

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Mireya Bracamonte

Universidad Centroccidental Lisandro Alvarado, Venezuela

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Maria Emilia Castillo

Instituto de Matemática Aplicada del Litoral, Argentina

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

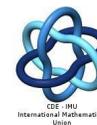

Andrea Ceretani

Universidad Austral de Rosario - CONICET, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

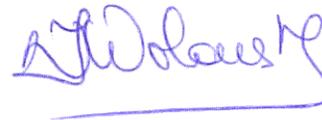

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

João Vitor da Silva

Universidade Federal do Ceará, Brazil

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

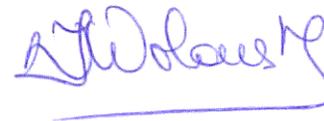

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Erica de la Canal

Universidad Nacional de Mar del Plata, Argentina

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

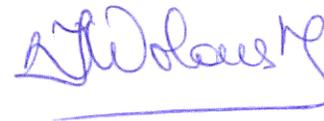

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Pablo de Napoli

Universidad de Buenos Aires - I.M.A.S. - CONICET, Argentina

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

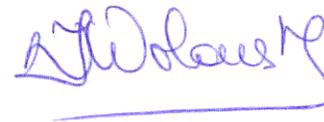

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Alberto Deboli

Universidad de Buenos Aires, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

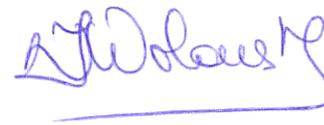

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Max Engelstein

University of Chicago, USA

in the School: “New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

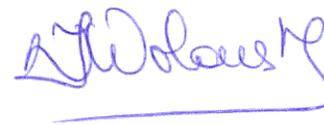

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Fernando Gallego

Universidade Federal do Rio de Janeiro, Brazil

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

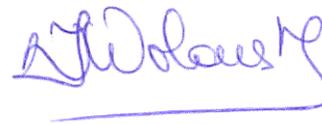

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Gerardo J. Huaroto Cardenas

Universidade Federal do Rio de Janeiro, Brazil

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

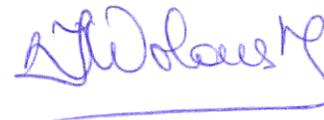

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Clemens Kienzler

University of Bonn, Germany

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

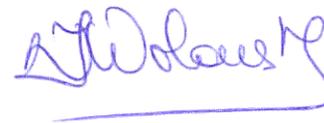

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

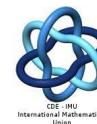

Leonardo Kosloff

University of California - Riverside, USA

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

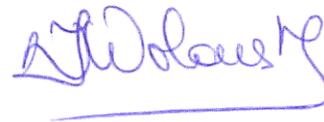

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Dennis Kriventsov

University of Texas - Austin, USA

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Mariel Paula Kuna

Universidad de Buenos Aires, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Luis López Ríos

Universidad de Buenos Aires - I.M.A.S. - CONICET, Argentina

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

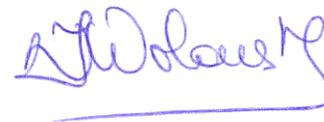

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

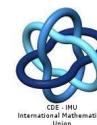

German Jesus Loxada Cruz

IBRLE - UNESP, Brazil

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Kristina Martin

North Carolina State University, USA

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

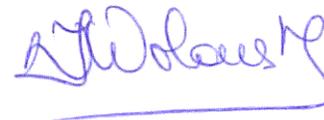

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

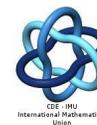

Dana Mendelson

Massachusetts Institute of Technology, USA

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Carolina Naudeau

Universidad de Buenos Aires, Argentina

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

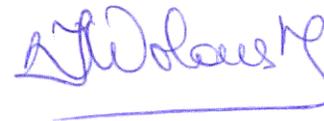

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Mayte Pérez-Llanos

Universidad Autónoma de Madrid, Spain

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Edgard Pimentel

Universidade Federal do Ceará, Brazil

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

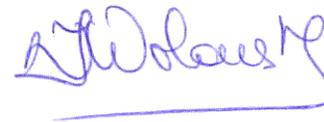

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Juliana Pimentel

Universidade de São Paulo, Brazil

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Mariana Prieto

Universidad de Buenos Aires, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Ricardo Ribeiro

Universidade Estadual de Campinas - IMECC, Brazil

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

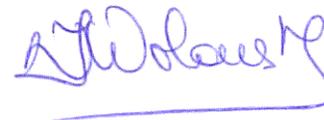

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

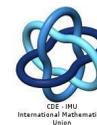

Antonella Ritorto

Universidad de Buenos Aires, Argentina

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

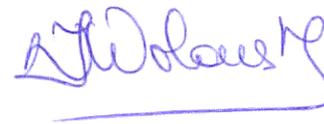

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Andrei A. Enrique Rodríguez Paredes

Universidad Técnica Federico Santa María, Chile

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

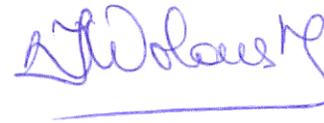

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Carlos Román

Université Pierre et Marie Curie, Francia

in the School: “New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Matheus Santos

Universidade Estadual de Campinas, Brazil

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

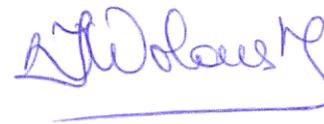

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Erica Schwindt

Université d'Orléans, France

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

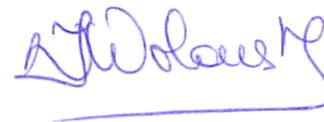

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Cesar Soares dos Santos

Universidade Estadual de Campinas, Brazil

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Eric Stachura

Temple University, U.S.A

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

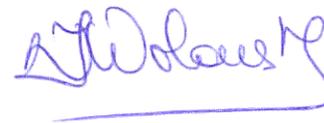

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Maja Taskovic

University of Texas at Austin, USA

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

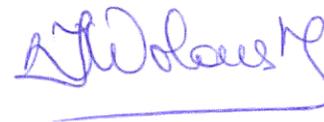

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Leandro Tavares

Universidade Estadual de Campinas, Brazil

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

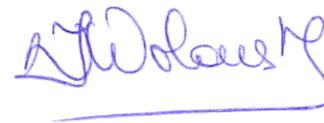

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

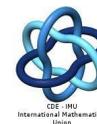

Ignacio Tomasetti

Universidad Nacional de Mar del Plata, Argentina

in the School: “ New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

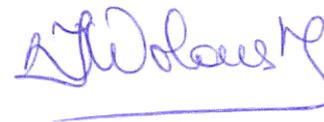

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

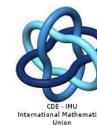

Erwin Topp

Universidad de Chile, Chile

in the School: “New trends and applications of Differential Equations and Dynamical Systems” held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

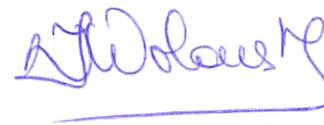

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Julio Cesar Valencia Guevara

Universidade Estadual de Campinas - IMECC, Brazil

in the School: "New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski

X Americas

Conference on Differential Equations and Nonlinear Analysis

The Organizing Committee acknowledges the participation of

Hernan Vivas

Universidad Nacional de Mar del Plata, Argentina

in the School: " New trends and applications of Differential Equations and Dynamical Systems" held in Buenos Aires Argentina, February 9–13, 2015.

Noemi Wolanski
