

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

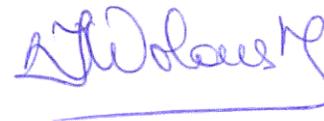

*Gustavo Ponce*

*University of California – Santa Barbara, USA*

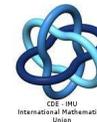

has organized the focus session

*“Dispersive Equations”*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

*Diego Rial*

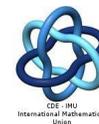

*Universidad de Buenos Aires, Argentina*

has organized the focus session

*"Dispersive Equations"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

*Arshak Petrosyan*

*Purdue University, USA*

has organized the focus session

*"Free Boundary Problems"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

*Eduardo Teixeira*

*Universidade Federal do Ceará, Brazil*

has organized the focus session

*"Free Boundary Problems"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

*Rafael de la Llave*

*Georgia Institute of Technology, USA*

has organized the focus session

*"Dynamical Systems"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

Noemi Wolanski

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

*Michael Li*

*University of Alberta, Canada*

has organized the focus session

*"Dynamical Systems"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

Noemi Wolanski

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

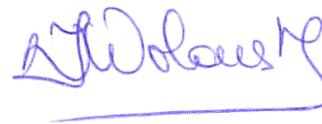

*Hugo Leiva*

*Universidad de los Andes, Venezuel*

has organized the focus session

*"Control and Optimization"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

Noemi Wolanski

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

*Luz de Teresa*

*Universidad Nacional Autónoma de México, México*

has organized the focus session

*"Control and Optimization"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

Noemi Wolanski

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

*Raúl Manasevich*  
*Universidad de Chile, Chile*

has organized the focus session

*"Elliptic equations"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

Noemi Wolanski

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

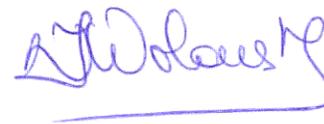

*Pablo Amster*

*Universidad de Buenos Aires, Argentina*

has organized the focus session

*"Elliptic equations"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

Noemi Wolanski

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

We certify that

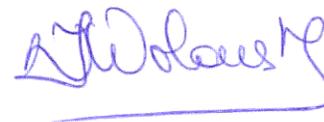

*Peter Bates*

*Michigan State University, USA*

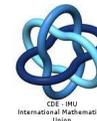

has organized the focus session

*"Nonlocal Phenomena"*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.

Noemi Wolanski

# X Americas

## Conference on Differential Equations and Nonlinear Analysis

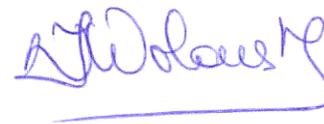

We certify that

*Alexis Vasseur*  
*University of Texas – Austin, USA*

has organized the focus session

*“Nonlocal Phenomena”*

in X Americas Conference on Differential Equations and Nonlinear conference held in Buenos Aires Argentina, February 16–20, 2015.
